## DVD Titles and Descriptions

***Medical Evaluations of Psychiatric Behavior Presentations*** – Join Dr. Ruth Myers in this fascinating educational presentation and learn why over 75% of people with a dual diagnosis have an underlying medical cause or contributor. Often, more than one medical condition is involved – and frequently the medical conditions are more unusual than what we see in the typical population.

***Medical Interpretations of Peculiar Behaviors: Q&A w/ Ruth Myers, M.D.*** – Gain insight into medical reasons for such peculiar behaviors (in adults with ID/DD) as biting down on hard objects, head & neck whipping forward, sudden dropping into a seat, jamming fist in mouth, biting on whole hand, sitting on one side or not sitting, head waving side to side, intense rocking, self-restraint, and many more. Limit one per person.

***Neuropsychiatric Aspects of Developmental Disabilities*** – Award winning Neuropsychiatrist, Ruth Myers, M.D. will keep you riveted through every minute of this DVD as she discusses a bit of science with a lot of everyday behavior supports to help those with such syndromes as Cornelia DeLange; Rubinstein-Taybi; Turner; Noonan; Smith Lemli Opitz; Smith Magenis; Klinefelter's; Williams; Fragile X; Prader-Willi and many more!

***Supporting Those with Dysphagia: Developing Tasteful & Appealing Meals*** – Learn tasteful ways to support your clients with Dysphagia!
