NEWS RELEASE

Golfer Wins New Car with Hole-in-One at Third Annual Milestone Golf Classic

PITTSBURGH, PA, Oct. 13, 2016 – A Penn Township man earned a 2016 Toyota Rav4 thanks to a hole-in-one at Milestone Centers' Third Annual Golf Classic, Sept. 19 at Edgewood Country Club.

Terry Doughty used a 5-Hybrid on hole #12 to send the ball 168 yards to the hole and put himself behind the wheel of a new vehicle, courtesy of Spitzer Toyota. Doughty was presented with the keys to his new Rav4 Monday, Oct. 10 at Spitzer Toyota in Monroeville.

"Spitzer has offered a Rav4 for a hole-in-one since the inception of our golf outing," explained Maureen Haggarty, Milestone Chief Officer of Development. "Milestone is thrilled for Terry. This puts the icing on an already successful event."

The Milestone Golf Classic raised \$38,500 toward the purchase of a wheelchair-accessible van that will transport Milestone clients with intellectual and developmental disabilities.

"The team at Spitzer Toyota is honored to support the great efforts of Milestone by sponsoring the hole-in-one contest at the third annual Milestone Golf Classic," said Alison Spitzer, President of Spitzer Toyota. "We congratulate Terry Doughty on winning a brand new Rav4 by making an incredible hole-in-one! It was a joy to present him with a new Toyota. We look forward to continuing a successful partnership with Milestone in the future."

"I saw the ball go in, but I didn't believe it until the witnesses told me I had a hole-in-one," said Doughty. "This is so exciting – and the timing is perfect because I was about to start shopping for a new car. This Rav4 is ideal."

About Milestone Centers Inc.

Improving lives in Allegheny County and Western Pennsylvania since 1969, Milestone Centers is a nonprofit organization employing 475 and serving 2,300 adults through 26 programs for people with developmental and behavioral health challenges.
