

Improving lives since 1969

*Serving 20 of
Pennsylvania's
67 counties*

-  Milestone provides direct services and programs to approximately 2,700 individuals annually with behavioral health and developmental challenges.
-  Milestone Health Care Quality Unit Northwest
-  Milestone Health Care Quality Unit West

Milestone Health Care Quality Units are staffed with experts who provide wide-ranging training to professionals from other intellectual disability providers, thus setting the standard for care.
