

Milestone Packaging Services

Milestone Packaging Services can accommodate your unique manufacturing needs. On-time completion at competitive prices. Fast, reliable services are just a phone call away.

Milestone Packaging Services:

- ✈ provides assembly, packaging, publications and rework services to area businesses. We are an aggressive and dynamic organization ready to assist your company.
- ✈ provides your business with a cost-effective method of dealing with production problems associated with manufacturing.
- ✈ has a 10,000 square foot facility, accessible loading docks, and motivated employees who will fill your order, complete your production process, package your product, and meet your deadlines.
- ✈ is located in the Monroeville Business Park (Seco Rd.) and is accessible from the PA Turnpike, and PA Routes 22 and 48.

ASSEMBLY: Milestone completes your manufacturing process by providing extra manpower to assemble even the smallest components of your product. Our employees are experienced in both wholesale and retail product assembly.

PACKAGING: Milestone packages your product for retail, wholesale, storage or shipping. Your product will be packed in your company's material to meet your specifications.

REWORK: Milestone reduces your business' high remanufacturing costs. Our large work force turns out your finished product and corrects manufacturing errors in time to meet your production schedule.

PUBLICATIONS SERVICES: Milestone folds, collates and staples business publications, reports, marketing materials and more.

All monies made are used for client payroll and to support Milestone programs and services.

We have been working with Milestone Centers for more than 10 years, using their service for tagging readers and sunglasses. Our typical order can be 12,000 pieces. Milestone is a life saver. We could not do this volume with the speed and accuracy that they do. It's nice to deal with an organization that gets the orders out quickly. Thank you Milestone Centers.!
