The Northeastern PA HCQU has a Behavioral Health Coordinator who is also a Certified Sexuality Educator, who does most of the education. Nurses discuss physical sexual health topics, such as STDs.

The Behavioral Health/Certified Sexuality Educator usually adheres to SIECUS, since it is the Sexuality Information and Education Council of the United States.

SIECUS:

<http://mx5.kepro.org:32224/?dmVyPTEuMDAxJiZhNTcxNzYyNzJhYjEzZjlyMT01QUM0RTg1MF8xMzA5OF8xNzI2MF8xJiY4ZTM1MzNmNTQxY2ExN2M9MTIzMyYmdXJsPWWh0dHBzJTNBJTJGJTJGd3d3JTJFc2IiY3VzJTJFb3JnJTJGaW5kZXglMkVjZm0=>

A questionnaire is conducted about the knowledge the individual has about sexuality, using the general sexual knowledge form:

<http://mx5.kepro.org:32224/?dmVyPTEuMDAxJiZmYzMyNmMyYTNjYTE2NDNIND01QUM0RTg1MF8xMzA5OF8xNzI2MF8xJiY0ZWlwZTNiMTQxYmJiN2Q9MTIzMyYmdXJsPWWh0dHAIM0EIMkYIMkZ3d3clMkVtaWRzcyUyRW9yZyUyRmNvbniRlbnQlMkZnZW5lcmFslXNleHVhbC1rbm93bGVkZ2UtcXVlc3Rpb25uYWlyZS1xc2tx>

After areas of focus are established, the SIECUS model is followed, which allows flexibility to supplement information that is pertinent to each case.

Information is supplemented with a comprehensive curriculum called F.L.A.S.H.:

<http://mx5.kepro.org:32224/?dmVyPTEuMDAxJiZhNTcxNmUyNzIxYjUyOTNIND01QUM0RTg1MF8xMzA5OF8xNzI2MF8xJiYzZTI1NTIxNTUxMmEwNmU9MTIzMyYmdXJsPWWh0dHBzJTNBJTJGJTJGd3d3JTJFa2luZ2NvdW50eSUyRWdvdiiUyRmRlcHRzJTJGaGVhbHRoJTJGbG9jYXRpb25zJTJGZmFtaWx5LXBsYW5uaW5nJTJGZWR1Y2F0aW9uJTJGRkxBU0glMkVhc3B4>

If the focus is on abuse, a curriculum by the PA Developmental Disabilities Council called: "S.A.F.E.: stop abuse for everyone..." is used.

The Northeastern HCQU plans to collaborate with ASERT's Social Media Campaign resources related to Sexual Abuse/Victimization from the University of South Carolina that is currently under construction by Central ASERT and 2 HCQUs (Central and South Central).

The Northeastern HCQU will continue with the initiatives of ODP Statewide Committee Concerning Sexual Health, Personal Relationships, and Sexuality (Bulletin/Announcement 4/13/2018)

Milestone HCQU NW utilizes the following resources regarding education around prevention of Sexual Abuse in the I/DD community:

- Positive Choices: A Program on Healthy Relationships, Sexuality, and Safe Boundaries For Secondary Students with Intellectual and Developmental Disabilities by Lucille Martin Duguay, LCSW, through Oak Hill. We are currently piloting this curriculum (which we adapt as necessary for adults) with one of our providers.
- Sexuality Education for Adults with Developmental Disabilities by Katherine McLaughlin, Karen Topper, and Jessica Lindert, through Planned Parenthood. We have not utilized this curriculum in its entirety, but have found it useful for PCTAs.
- Sex Education Activities by Patricia Rizzo Toner. We sometimes use activities for PCTAs.
- Publications, conference materials, etc. from Dave Hingsburger, Shawn McGill, and Lisa Mitchell are also utilized frequently for PCTAs.
- We developed a two-part Public vs. Private training. The first session discusses places, areas of the body, and behaviors that are public / private, while the second session involves role play and discussion of various scenarios to improve individuals' skills in responding to situations in which their boundaries may be violated.
- For staff, we utilize Is This Abuse? An essential training program for all direct care staff working in the field of Developmental Disabilities from YAI National Institute for People with Disabilities. We supplement this with additional information on recognizing signs that sexual abuse may be occurring. We recently purchased Is this abuse, too? which also covers sexual abuse.

Milestone HCQU West has hosted the presentation "Interviewing Child and Adult Victims with Disabilities" by Scott Modell Ph.D. on six occasions in our region. The primary goal of this training is to provide information to the criminal justice/ judicial systems and intellectual disability community on the best practices for working with people with disabilities who have been victimized. This training arms investigators with additional skills to successfully interview someone so that may gather information to assist in the prosecutorial process. Dr. Modell frequently works nationally and internationally with Governments, police departments and providers to decrease victimization in the disability community. Milestone HCQU West is offering this training in Armstrong, Indiana and Mercer counties in 2020.
